

EUROPEAN DNA PROFILING GROUP (EDNAP)

Fifth conference
- Rome, april 19th 1991 -
UCSC Congress Center

9.30-11.00 hs

The second EDNAP collaborative
exercise - Final reportP.GILL

Local methods agaist the common
protocol - an evaluation of the
results obtained in each labora-
toryP.GILL

11.00 hs Coffe

11.15-12.30 hs

Inter-laboratory experimentsGREENHALGH/
RAND

Quality assurance
Should we take part in a continuing
QA programme. CRSE and Cellmark can
provide the programmesMARTIN/
GILL

Discussion

12.30-13.30 Lunch (University restaurant)

15.00 18.00

Original aims of EDNAP - restatements
and redefinition - aims for the future-
EDNAP and the PCR technologyMARTIN

Should EDNAP exist as a QA group only?
Is there scope for larger scientific activity?
How to rise funds for EDNAP meetings?PASCALI

Planning the next meeting
How do we advertise the meeting?MARTIN

Free Presentations from members
(provisional topics to cover: databases,
new-improved methodologies, catalogue
of unusual cases)

Final remarksMARTIN

19.00 Return to the Columbus hotel
