MEDICINE AND ODONTOLOGY FACULTY, UNIVERSITY OF SANTIAGO DE COMPOSTELA: WORKSHOPS VENUE

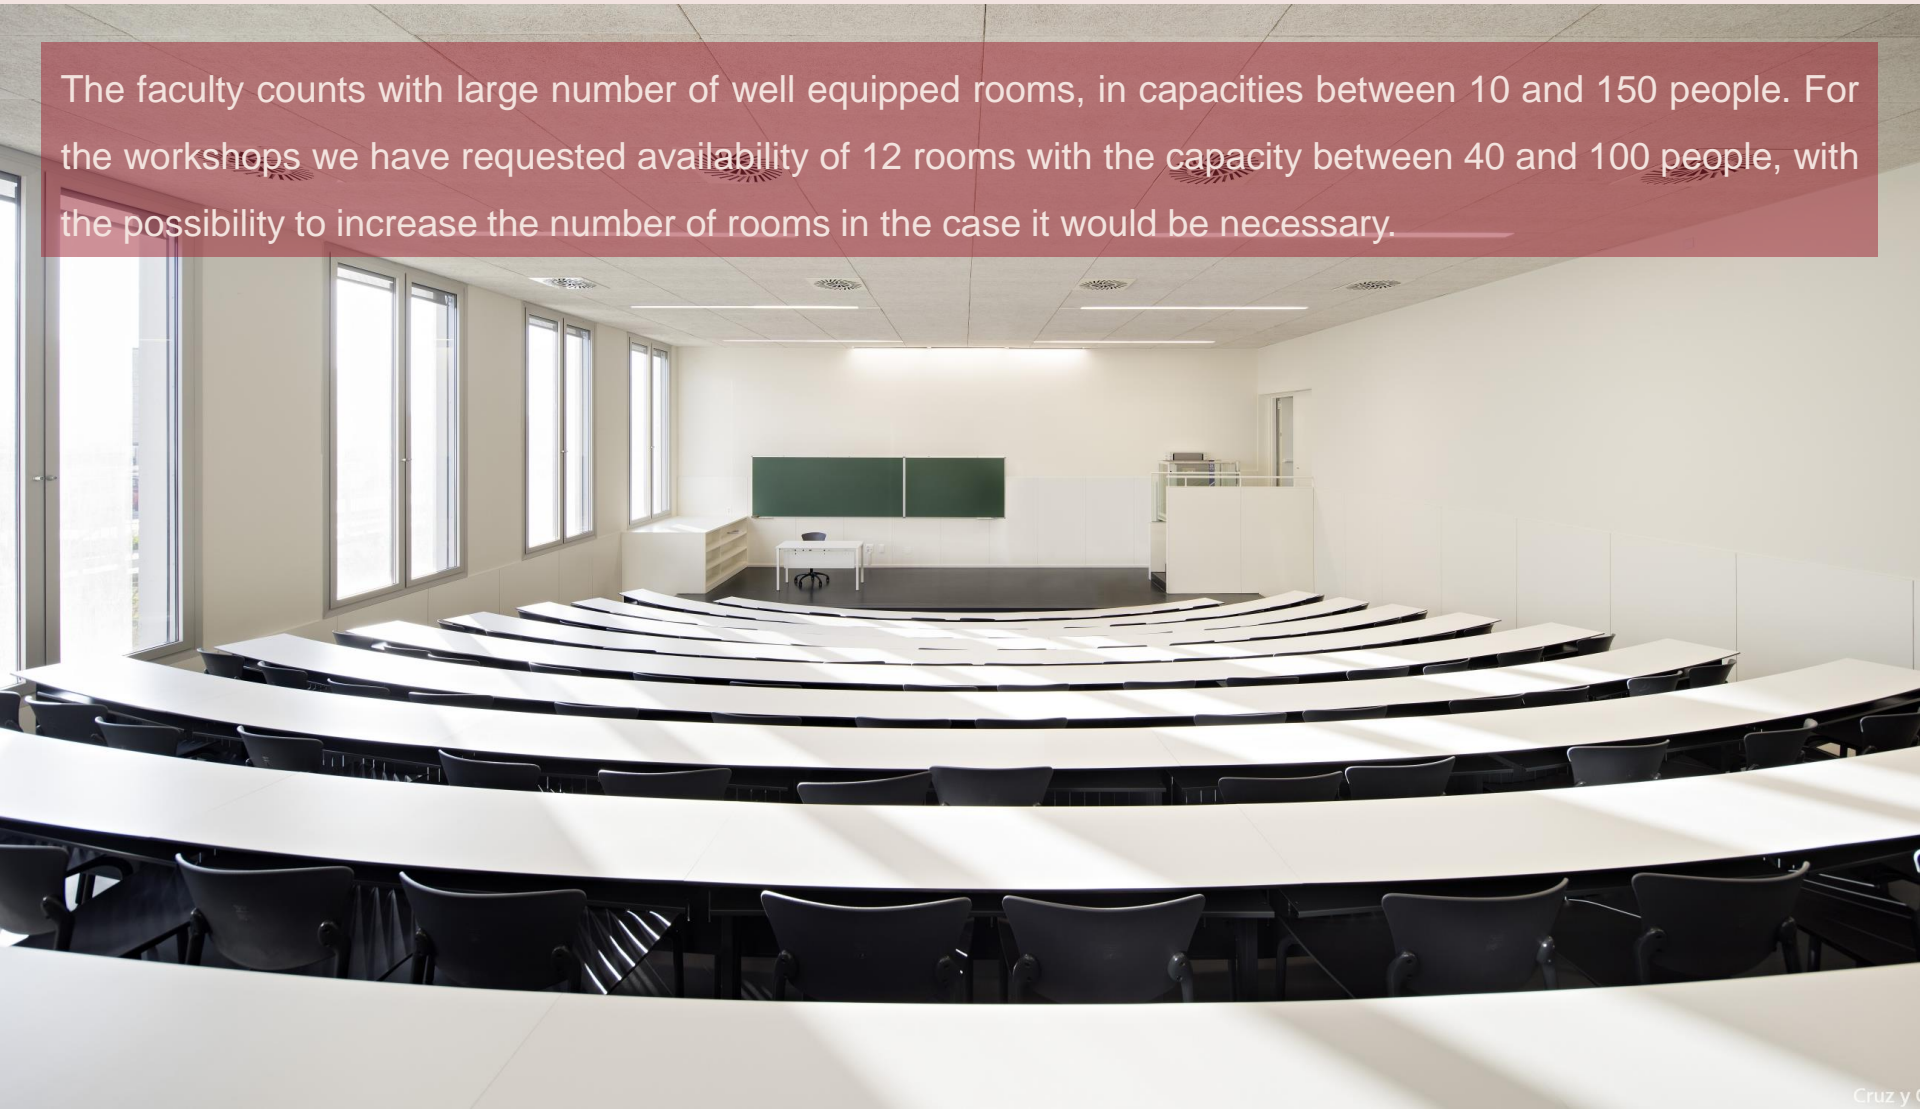

The beautiful building of the Medicine and Odontology Faculty was built between 1910 and 1928 by the architects F. Arbós and Tremanti and Isidro de Benito, and it was always planned to house the Faculty of Medicine. Built with granite stone walls and follows the canons of nineteenth-century eclecticism, it is long a essential part of the city.

WORKSHOPS VENUE

The faculty counts with large number of well equipped rooms, in capacities between 10 and 150 people. For the workshops we have requested availability of 12 rooms with the capacity between 40 and 100 people, with the possibility to increase the number of rooms in the case it would be necessary.
