

## SOFTWARE LICENCE AGREEMENT

This Agreement applies to all Software made available by the Licensor for the purpose of research or demonstration purposes only.

### INTERPRETATION

The definitions and rules of interpretation in this clause apply in this licence:

**Agreement:** means this license agreement and any attached schedules attached.

**Contribution:** means any or all modifications, corrections, translations, adaptations and/or new functions integrated into the Software by any or all Contributors, as well as any or all Internal Modules.

**Contributor:** means a Licensee having made at least one Contribution.

**External Module:** means any or all Modules, not derived from the Software, so that this Module and the Software run in separate address spaces, with one calling the other when they are run.

**Initial Software:** means the Software in its Source Code and its Object Code form and any applicable documentation when it is first released by the Licensor.

**Intellectual Property Rights:** means all patents, copyrights, design rights, trade marks, service marks, trade secrets, know-how, database rights and other rights in the nature of intellectual property rights (whether registered or unregistered) and all applications for the same, anywhere in the world.

**Internal Module:** means any or all Module, connected to the Software so that they both execute in the same address space.

**Licensee:** means the user of the Software having accepted the Agreement.

**Licensor:** means the **SCOTTISH POLICE SERVICES AUTHORITY**, a body corporate established under the Police, Public Order and Criminal Justice (Scotland) Act 2006 and having a place of business at Elphinstone House, 65 West Regent Street, Glasgow, United Kingdom G2 2AF.

**Modified Software:** means the Software modified by at least one Contribution.

**Module:** means a set of sources files including their documentation that enables supplementary functions or services in addition to those offered by the Software.

**Object Code:** means all binary files originating from compilation of the Source Code.

**Software:** means the software in its Object Code and/or Source Code form and any applicable documentation when released by the Licensor.

**Source Code:** means all instructions and program code to which access is required so as to modify the Software.

## **1. PURPOSE**

The Licensor grants to the Licensee a non-exclusive, transferable and worldwide license for the Software under the terms and conditions of this Agreement.

## **2. ACCEPTANCE**

2.1 The Licensee accepts the terms and conditions of this Agreement by:

(i) loading the Software by any or all means, notably, by downloading from a remote server, or by loading from a physical medium; or

(ii) the first time the Licensee exercises any rights granted by this Agreement.

## **3. TERM**

3.1 This Agreement shall become effective on the date when it is accepted by the Licensee in accordance with Clause 2.1.

3.2 The Agreement shall remain in force for the whole period of use by the Licensee of the Software.

## **4. SCOPE OF RIGHTS GRANTED**

The Licensor grants to the Licensee the rights contained in this Agreement over the Software for any or all use for the term of the Agreement.

### **4.1 RIGHT OF USE**

The Licensee is authorised to use the Software, without any limitation as to its fields of application, with it being hereinafter specified that this comprises:

(i) temporary or permanent reproduction of all or part of the Software by any or all means and in any or all form;

(ii) operating, loading or storing the Software on any or all media, and

(iii) entitlement to observe, study or test its operation so as to determine the ideas and principles behind any or all constituent elements of said Software.

### **4.2 ENTITLEMENT TO MAKE CONTRIBUTIONS**

The right of the Licensee to make Contributions:

(i) includes the right to translate, adapt, arrange, or make any or all modifications to the Software, and the right to reproduce the resulting software, and

(ii) is subject to the inclusion of an explicit notice that it is the author of said Contribution and indicates the date of the such creation.

### **4.3 RIGHT TO DISTRIBUTE**

The right of the Licensee to distribute includes the right to publish, transmit and communicate the Software to third parties in any format, whether modified or unmodified subject to the terms and conditions of this Agreement.

#### **4.3.1 DISTRIBUTION OF SOFTWARE WITHOUT MODIFICATION**

The Licensee is authorised to distribute true copies of the Software in Source Code or Object Code form, provided that such distribution complies with the provisions of the Agreement and is made on terms equivalent to those contained in this Agreement.

#### 4.3.2 DISTRIBUTION OF EXTERNAL MODULES

The terms and conditions of this Agreement do not apply to any External Module created by Licensee.

### **5. INTELLECTUAL PROPERTY**

#### 5.1 SOFTWARE

The Licensor is entitled to all Intellectual Property Rights over the Initial Software. Any or all use of the Initial Software is subject to compliance with the terms and conditions of this Agreement.

#### 5.2 CONTRIBUTIONS

Any Licensee who develops a Contribution is the owner of the Intellectual Property Rights over such Contribution.

#### 5.3 EXTERNAL MODULES

Any Licensee who develops an External Module is the owner of the Intellectual Property Rights over such External Module and shall have the right to govern the distribution of such External Module as it sees fit from time to time.

#### 5.4 JOINT PROVISIONS

The Licensee expressly undertakes:

- (i) not to remove, or modify, in any manner, notices attached to the Software by the Licensor;
- (ii) to reproduce said notices, in an identical manner, in the copies of the Software modified or not.
- (iii) The Licensee agrees not to infringe, whether directly or indirectly, the Intellectual Property Rights of the Licensor and/or Contributors of the Software and to take all measures required to protect and maintain the Intellectual Property Rights of the Licensor and/or Contributors.

### **6. RELATED SERVICES**

6.1 Under no circumstances shall the Agreement oblige the Licensor to provide technical assistance, maintenance or support services of any kind for the Software.

### **7. LIABILITY**

7.1 The Licensee accepts and confirms that the Licensor provides the software without liability attaching to the Licensor to any extent and the Licensee shall not be entitled to claim compensation for any loss the Licensee may have suffered from use or performance of the Software, whether such loss is direct, consequential or arising otherwise. For the avoidance of doubt the Licensor and Licensee expressly agree that any or all pecuniary or business loss (i.e. loss of data, loss of profits, operating loss, loss of customers or orders, opportunity cost, any disturbance to business activities) or any or all legal proceedings instituted against the Licensee by a third party, shall constitute consequential loss and shall not provide entitlement to any compensation whatsoever from the Licensor.

### **8. WARRANTY**

8.1 The Licensee acknowledges that it is not possible for the Licensor to ensure that all practical and hypothetical uses and applications of the Software have been tested and verified and consequently no warranty is provided that the software is provided without defects.

8.2 The Licensee shall be responsible for verifying, by any or all means, the suitability of the Software for its requirements, its accordance with normative operating environments and procedures, and for ensuring that it shall not cause damage to any third parties.

8.3 The Licensor hereby represents, in good faith, that it is entitled to grant all the rights over the Software.

8.4 The Licensee acknowledges that the Software is supplied "as is" by the Licensor without any other express or tacit warranty, other than that provided for in Clause 8.3 and, in particular, without any warranty as to its commercial value, its secured, safe, innovative or relevant nature. Specifically, the Licensor does not warrant that the Software is free from any error, that it will operate without interruption, that it will be compatible with the Licensee's own equipment and software configuration, nor that it will meet the Licensee's requirements.

8.5 The Licensor does not either expressly or tacitly warrant that the Software does not infringe any third-party Intellectual Property Rights. Therefore, the Licensor disclaims any and all liability towards the Licensee arising out of any or all proceedings for infringement that may be instituted in respect of the use, modification and redistribution of the Software. No warranty is given as regards the existence of prior rights over the name of the Software or as regards the existence of a trademark.

## **9. TERMINATION**

9.1 In the event of a breach by the Licensee of its obligations hereunder, the Licensor may automatically terminate this Agreement thirty (30) days after notice has been sent to the Licensee and has remained ineffective.

9.2 A Licensee whose Agreement is terminated shall no longer be authorised to use, modify or distribute the Software. However, any licenses that it may have granted prior to termination of the Agreement shall remain valid subject to their having been granted in compliance with the terms and conditions of this Agreement.

## **10. MISCELLANEOUS**

10.1 Neither party shall be liable to the other for any or all delay, or failure to perform the Agreement, that may be attributable to an event of force majeure, an act of God, governmental act, war, fire, flood, explosion or civil commotion, defective functioning or interruptions of the electricity or telecommunications networks and network paralysis following a virus attack.

10.2 Any failure by either Party, on one or more occasions, to invoke one or more of the provisions of this Agreement, shall under no circumstances be interpreted as being a waiver by the interested Party of its right to invoke said provision(s) subsequently.

10.3 The Agreement replaces any or all previous agreements, whether written or oral, between the Licensor and Licensee and having the same purpose, and constitutes the entirety of the agreement between said the Licensor and Licensee concerning. No supplement to or modification of the Agreement shall be effective as between the Licensor and Licensee unless it is made in writing and signed by their duly authorised representatives.

10.4 In the event that one or more of the provisions hereof were to conflict with a current or future applicable act or regulation, said act or legislative text shall prevail, and the Licensor and Licensee shall make the necessary amendments so as to comply with such act or regulation. All other provisions shall

remain effective. Invalidity of a provision of the Agreement, for any reason whatsoever, shall not cause the Agreement as a whole to be invalid.

#### **11. DISTRIBUTION OF THE AGREEMENT**

11.1 Any person is authorised to duplicate and distribute copies of this Agreement for the purpose of distributing the Software under the terms and conditions of the Agreement.

#### **12. GOVERNING LAW AND JURISDICTION**

12.1 The Agreement is governed by Scots Law and the Scottish Courts shall have exclusive jurisdiction in the event of any dispute or legal proceedings arising between the Licensor and Licensee upon the terms of this Agreement.
